Product Information

Mulch is a product of nature and may vary in color and texture.

* One cubic yard= 27 cubic feet. Average full-size pickup hauls 2-3 yards.

(10-0) HARDWOOD –Standard Aged – \$18.95/Yard - Our #1 selling mulch. Mixed hardwoods shredded and then shredded again. Dark brown in color.

(36-0) EarthTech – BRICK RED - \$23.75/Yard - Prime hardwood that is shredded and screened, then color-enhanced to a rich red color. Texture ranges 2" and under. EarthTech products retain their vibrant colors throughout the entire season and do not disappear like other mulches.

(35-0) EarthTech MISTY BLACK – \$23.75/Yard - A truly dark mulch that will not gray-out during the season. Environmentally SAFE.

(38-0) EarthTech FOREST BROWN - \$23.75/Yard - Rich, Vibrant, Constant. Very close to the Dark hardwood in color but lasts the entire season.

(37-0) EarthTech HARVEST GOLD – \$23.75/Yard - A perfect alternative to expensive cypress mulch.

(225-0) EarthTech PREMIUM BLACK BARK – \$29.00/Yard - Long lasting color enhanced mulch with great uniform texture and rich color made from 100% bark. The very best of mulches.

(17-0) EarthTech PREMIUM BROWN BARK – \$29.00/ Yard – Color enhanced to last.

(11-0) LANDSCAPE CHIPS – \$26.00/Yard - Solid native hardwood chips 1"-2" that make a great light colored, coarse texture. Lasts for years.
